# M365 Migration Updates

There is an email that will be coming your way very soon to inform you that you've been enrolled in M365. An example of the email is on the next page.

Please don't mark this as a phishing email; if you have a question, call the IT Service Desk.

---

I am happy to provide training for you/your department in M365!

Here are trainings that I offer:

- M365 "General Info" - how to save and share documents, what changes are happening with this migration.
- Word - changes, updates, tips & tricks!
- Excel - changes, updates, tips & tricks!
- Teams - it's more than just video conferencing!
- Outlook - changes, updates, tips & tricks!
  - IMPORTANT: Archiving is changing...please ensure your archive file names have been updated accordingly.

WHERE: You can come to the IT Training Room, I can go to you/your department, or we can meet via MS Teams!

WHEN: On Demand! Let me know that you'd like training, and we will schedule something. We can schedule 1:1 training, small groups/teams, or large group training. We can do a 1-day training, several days or even several weeks! Whatever you need!

HOW to Register: Fill out the survey that was sent out with this email to register!

# This is a SCAM!

- Triggering content - “high-severity alert”
- noreply@account-microsoft365.com
- Hover over Alert Details - link does not take you to an FDL website!

# This is the REAL DEAL!

- Azure@fdlrez.com - this is valid.
- No triggering content - it doesn't ask you to drop everything for this.
- Hover over Office 365 hyperlink - it does take you to a legitimate Office 365 website.

# Telecom Upgrade

WHO: All employees with a work phone

WHAT: Updating the phone system

WHEN: Deployment will take place beginning Q2 2024

WHERE: It will be rolled out department by department

WHY: Our telephone system is due for an upgrade; we will be updating to better align with cloud technology and M365

# New FDL Band Website!

Coming soon to a browser near you!  
Projected Launch Mid-April

# Updates from JDE

**We're  
Hiring**

Beginning soon, there will be a new application and hiring process launching called HCM Cloud.

Prospective employees will be able to apply online instead of submitting a paper application. Our hope in moving to this new system is that it will allow us to continue to streamline our processes for our applicants and our organization.

This change will affect HR and any managers who participate in the hiring process.
